REPORT 39 OF 2020

5. The Committee was briefed that the Bill in its current shape is outdated. The FATF requires to amend the above mentioned Act in order to bring more control and transparency in Registration / regulations of Cooperative Societies in Islamabad. The Prime objective of proposed amendment is to control terror financing through this channel. The provision relating to SECP, NAB and other Prosecution Agencies were deficient in the existing version of Cooperative Societies Act, 1925. The same has now been incorporated in order to implement strict control on the affairs of Cooperative Societies. The provision regarding audit / accounts mechanism of the Cooperative Societies have also been introduced in the proposed amendments. The definition of a beneficial owner is not provided in the current bill, with the passage of time the definition of a beneficial owner needs to be included in the law. The same has been incorporated through this amendment. Furthermore, the procedure for investigating and

prosecuting agencies to collect information from society is not defined in the current Bill. Through the current amendment that procedure has been defined. Also in case misinformation is provided, punishment for this offense has been clearly spelled out.

6. Senator Farooq H. Naek agreed with the objects and reasons of the Bill, however, he dissented with the words “and the investigating or prosecuting agencies as defined in the Anti-Money Laundering Act 2010 (VII of 2010)” occurring in the last lines of Sub-Section (ba) of Section-2 of Cooperative Societies (Amendment) Bill, 2020.

7. Thereafter, the Chairman Committee put the Bill for vote. Six members out of seven voted in favour of the Bill.

8. In view of the above, the Committee recommends that “The Cooperative Societies (Amendment) Bill, 2020” as introduced in the House, may be passed by the Senate. (Copy of the Bill is enclosed).
