*For the purpose of indexation of Local O&M components for July-Sept. 2020 and onwards Quarters till July to September 2021, the averages of the CPIs for previous quarters were required to be used. However, the Pakistan Bureau of Statistics has discontinued the publication of CPI for the base year 2007-08 w.e.f. July 2020 and replaced it with National CPI for new base year 2015-16. As per the relevant provision of the PPA, the average of the latest available CPI of April, May & June 2020 for the base year 2007-08 has been used for the instant indexation/adjustment. For the purpose of Water Use Charge (WUC) Indexation, for the period from November 08, 2020, to November 07, 2021, the average of the CPIs of the last years i.e. November 2019 to October 2020 were required, however, due to the discontinuance of CPI from July 2020, the average of the whole year may not be taken, therefore the last available CPI of June 2020 (269.27) has been used for July, August, September, October 2020 for the average value of Nov 2019 to Oct 2020 period. The indexation of Local O&M components and WUC are being made on a provisional basis, subject to the notification of the Authority's decision dated March 10, 2021, with regard to the replacement of CPI base year 2007-08 with N-CPI base year 2015-16 and Authority's review decision in the matter of motion for leave for review (MLR) filed by the petitioner.

**The Authority wide its decision dated March 10, 2021 replaced CPI Base Year 2007-08 with N-CPI Base Year 2015-16. The decision shall be implemented upon Notification in the Official Gazette.
