- i. The issue size is not less than 5 million shares and 50 million Rupees.
- ii. The bid size for each initial subscriber shall be Rs. 100,000.
- iii. Book building is a mechanism of price discovery of equity securities through Bidders who make Bids at Floor Price or within the Price Band. Bids received are listed in descending order of price evidencing demand at different price levels at Floor Price or within the Price Band. A Strike Price is arrived at through Dutch Auction Method.
- iv. Dutch Auction method means the method through which the price is determined by arranging all the bid price in descending order along with the number of shares and the cumulative number of shares bid for at each bid price. The strike price is determined by lowering the bid price to the extent that the total number of shares offered under the Book Building portion is subscribed.
- v. The Book Runner shall be appointed to perform the function of Book Building.
- vi. Book runner may also act as Advisor to the Issue.

#### **BOOK BUILDING PROCEDURE :**

- i. The Issuer shall decide the Floor Price and the Price Band.  
Provided that the upper limit of the price band should not be more than 40% of the Floor Price.
- ii. The Issuer shall provide the justification of the floor price and the price band in the Information Memorandum.
- iii. The Issuer shall place copy of the Information Memorandum before the start of the book building on its website and the websites of the Book Runner, the Designated Institution, advisor to the Issue, and the Securities Exchange.
- iv. The Registration of the bidders shall start at least 2 working days before the start of the bidding period and shall remain open till 03.00 pm on the last date of the bidding period.
